

I FALL TO PIECES

Patsy Cline's 1961 Country Hit

4 beats/chord unless noted, first sung note: E 1,2,3,4 1,2,3,4

A D E7 **E7/// Edim/** D E7 A/// ///
 I fall to piece-es, each time I see you again.
 A D E7 **E7/// Edim/** D E7 A/// //
 I fall to piece-es, how can I be just your friend.

A// A A7 D D/
 You want me to act like we've never kissed;
 D/// E7 /// //
 You want me to forget, pretend we've never met.
 A7// D E7 A A7//
 And I've tried, and I've tried, but I haven't yet:
 A7// D E7 A **A/// A7/** D E7 A/// //
 You walk by, and I fall to pieces.

A D E7 **E7/// Edim/** D E7 A/// //
 I fall to piece-es, each time someone speaks your name.
 A D E7 **E7/// Edim/** D E7 A/// //
 I fall to piece-es, time only adds to the flame.

A// A A7 D D/
 You tell me to find someone else to love;
 D/// E7 /// //
 Someone who'll love me too, the way you used to do.
 A7// D E7 A A7//
 But each time I go out with someone new,
 A7// D E7 A A7 D E7 A/// / D/ A/
 You walk by, & I fall to pieces. You walk by, & I fall to pieces.
