This song in 6/8 time (6 beats per measure), is played in **5 uke parts,** one part being the melody. 1 or more singers also can sing that melody. **All parts begin on the first beat of each measure & follow the same chord progression.**

**1) Riff #1**: an arpeggiated strum pattern, using the thumb or what works for you:

da da-dee da da da da = one measure

The count is: 1 2+ 3 4 5 6

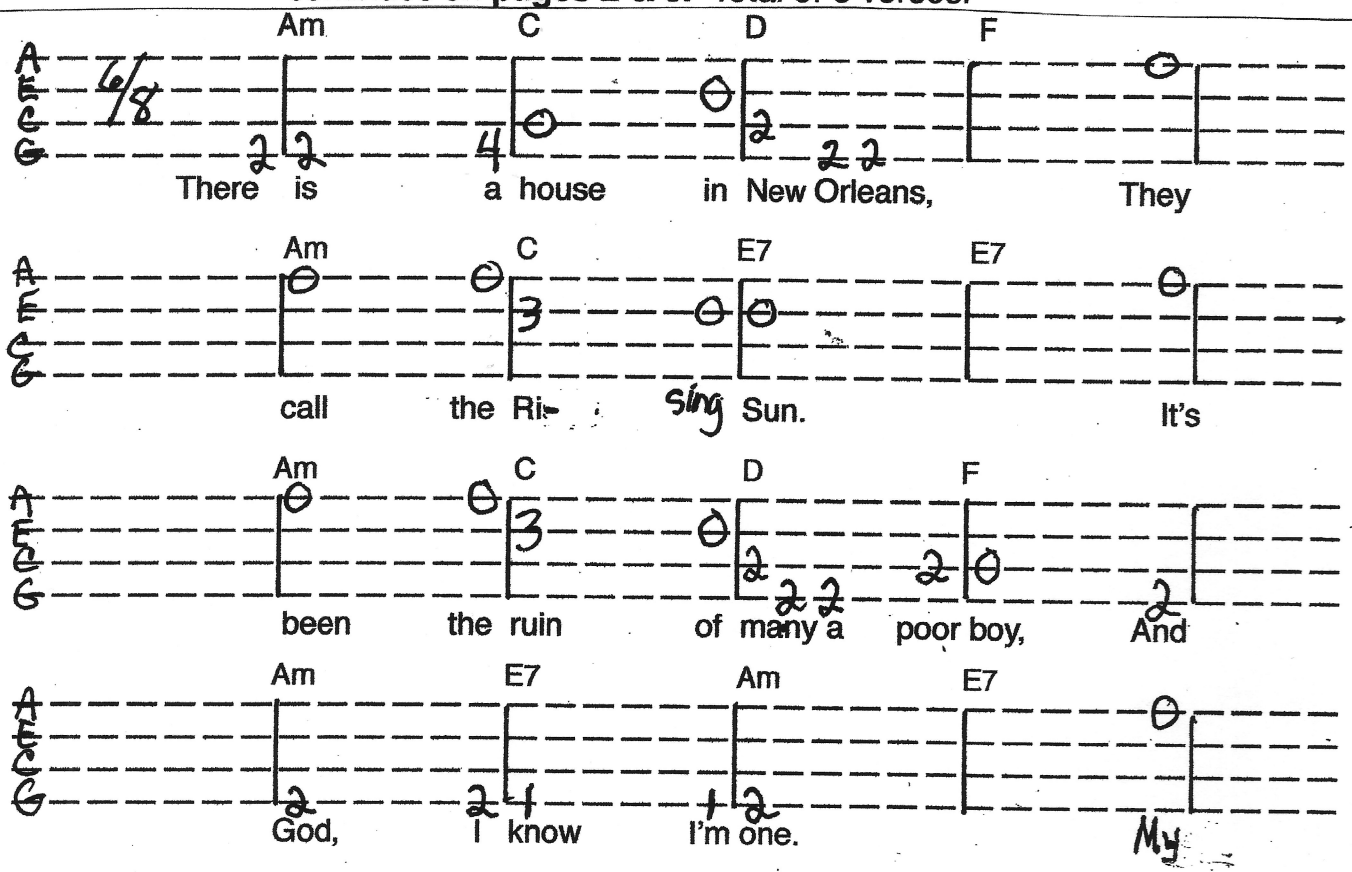
**2) Riff #2:** simple tabs (separate chart, pp 4). This riff is almost like a bass line, helping to keep the beat. You play only 2 notes per measure; each note gets 3 beats.

The count is: **one** 2 3 **four** 5 6

**3) Basic strum pattern** (D DU DU D DU DU) = one measure.

The count is: 1 2+ 3+ 4 5+ 6+

**4) The beginner** can just strum once per chord change, until ready to move on.

****The above 4 PARTS use PAGE 4.**


**5) Melody section** for part 5 (including words for singers) **is below**, then continues on **pages 2 & 3.** Total of 6 verses.
